

Request for Expression of Interest

Staatsolie Maatschappij Suriname N.V. is soliciting interest from suppliers who have the skills, competencies, and experience to carry out the works listed below. This is an Expression of Interest and not an Invitation to Bid. Interested suppliers must provide evidence that they are qualified to perform the indicated services, such as similar assignments, experience in similar projects, availability of appropriate resources, skills and expertise.

Suppliers who meet these general requirements and competencies interested in participating in the tendering process are invited to express their interest. The Expression of Interest together with the company profile and an official company registration certificate can be uploaded through the form on the Staatsolie Website.

Submission Deadline: 28 August 2026, 15.30PM Suriname time.

Evaluation of the submitted Expressions of Interest will result in a shortlist of potential bidders who will receive a Request for Proposal.

We kindly request interested suppliers to clearly specify in their response which services they are actually able to provide. Responses consisting solely of a general registration or an expression of interest, without a concrete description of the services offered, will not be considered.

Job Number	Project Description	Project Information
